Households do not need to turn in an application when the household receives a notification letter saying that all children automatically qualify for free meals when any household member receives benefits from CalFresh, CalWORKs, or FDPIR. Children who meet the definition of foster, homeless, migrant, or runaway, and children enrolled in their school's Head Start program are eligible for free meals. Contact district officials if any child in the household is not on the notification letter. The household must let district officials know if they do not want to receive free or reduced-price meals.

Applications will be sent to the household with a letter about the free and reduced-price meal program. Households that want to apply for meal benefits must fill out one application for all children in the household and give it to the nutrition office at 1525 S. Bon View Avenue, Ontario, CA 91761. For a simple and secure method to apply, use our online application at [www.omsdnutrition.com](http://www.omsdnutrition.com).
